

O2 Web builds on its Great Place to Work® certification by being recognized as a Best Workplace™ for professional development

Montreal, June 28, 2022 – *O2 Web, a Quebec-based agency that specializes in developing integrated e-commerce solutions, was recently recognized as a Best Workplace™ for employee professional development. This designation recognizes its policy supporting worker wellbeing and skill development.*

Despite a 95% employee satisfaction rating, O2 Web refuses to become complacent!

In early 2022, O2 Web was awarded Great Place to Work® certification after recording a 95% employee satisfaction rating based on 5 key factors: credibility, respect, fairness, pride and camaraderie. O2 Web has now earned recognition in the professional development category thanks to its collaborative management approach, career progression opportunities, and internal structure for supporting teams and helping them advance.

Professional development and wellness go hand-in-hand

At O2 Web, professional development is more than just training. It means developing a personalized career plan for each employee to help them grow, achieve specific objectives, gain new skills or develop expertise in a specific field.
